

Elsafe Sentinel II

Electronic Safes

Elsafe goes beyond the ordinary with its new Sentinel II in-room safe series. We have taken in-room security to a new level and combined it with a functional and trendy design.

Sentinel II delivers the same unmatched security standards Elsafe is known for. In addition, Sentinel II RFID allows your users to securely operate the safe with the same RFID room key, thus becoming the perfect in-room safe for the quality and design conscious proprietary, without compromising your users' security needs.

FEATURES

- : UL-1037 Certified for physical strength and security
- : Industry-leading Audit Trail
- : Flash memory
- : Reprogrammable configuration
- : ADA compliant telephone style keypad
- : 4 digit code
- : LED display for clear visible numbers
- : Green backlit keypad

SPECIFICATIONS

Elsafe SafeLink

Elsafe SafeLink helps you set up and service your Sentinel II safe in seconds. With Elsafe Sentinel II you can even print a detailed 500-event log from the safe memory.

Elsafe PinKey PLUS

Elsafe PinKey PLUS is a compact and powerful electronic PIN-code protected, non-resident master key to securely override Elsafe in-room safes. This allows for easy day-to-day safe operations.

Outlets

Optional internal power outlet available on the door (EURO, USA and UK).
